

Petition update

Deadline extended to 24 February - please comment & share

Save Allen Park

7 Feb 2016 — Submissions to the Seaward Village Review closed on 15 January.

However we have now been invited to update LTGEN Evans on the Petition up until 24 February 2016.

Please add a comment if you have not already done so. You can add a comment even if you signed some time ago. Only one person can sign for each email address, but if you share an address you can do a comment from both of you.

Comments and submissions on this issue to date highlight 3 interrelated concerns:

- 1) Security and welfare of the defence personnel and families;
- 2) Environmental concerns; and
- 3) Planning issues and local amenity.

We know Julie Bishop and Colin Barnett are interested in this issue, and the City of Nedlands need our support.

Please share this petition with anyone you know who is interested in any of these issues. In particular please forward this email to residents and users of the Allen Park Precinct, the City of Nedlands, Colin Barnett's Cottesloe electorate and Julie Bishop's Curtin electorate.

Between them the Cottesloe and Curtin electorates include the suburbs of Claremont, Cottesloe, Mosman Park, Mount Claremont, North Fremantle, Peppermint Grove, Swanbourne, Dalkeith, Nedlands, Crawley, Karrakatta, Shenton Park, Kings Park, Subiaco, Jolimont, Daglish, Wembley, Floreat, Leederville, North Perth, West Perth, Mount Hawthorn, Herdsman, Glendalough, Churchlands, Woodlands, Wembley Downs, City Beach, Doubleview.
